The languor so common at this season is due to impoverished blood. Hood's Sarsaparilla cures it by enriching the blood.

It is not fair to blame our naval officers because the ships in the Spanish fleet are faster than ours.

"Fighting Joe" Wheeler only weighs one hundred and fifteen pounds, but his opponents in a fight have never classed him with the light-weights.

Some of the newly made officers who are credited with a desire to see the invasion of Cuba postponed until fall may only be anxious to have the war last long enough for them to wear out their new uniforms.

The sudden expressions of love and admiration for every thing American on the part of France indicates that the press agent of the Paris Exposition is beginning to earn his salary.

The latest home bluff of the Spanish cabinet is the circulation of the report that Russia and France had become allied with Spain. If the Spanish people believe that they will believe anything.

The men who want all the war taxes put upon the other fellows are very active at Washington, and the results of their activity will probably be visible to the naked eye when the war-revenue bill has been finally disposed of.

It is evident that the efforts of the Democrats in Congress to prevent a big issue of bonds will be unsuccessful, but the people, who are opposed to bonds, do not forget to give proper credit for these efforts.

If it takes the U. S. months to get a small army equipped to fight a fifth-rate nation like Spain, how long would it take to equip an army large enough to fight a first-class nation, on anything like equal terms?

The government censorship did not extend to the Pacific coast, or there would not have been so much newspaper space devoted to a description of the departure of reinforcements for the Philippine Islands.

We fail to see why we should refrain from crushing Spain entirely, because the French hold nearly all of the Spanish bonds. The more completely we thrash Spain the longer it will be before we have another war; therefore let the job be thoroughly done.

If the rumors that France was inclined to secretly assist Spain bring about boycotts of French goods in numerous places, it may be imagined what would be the result if France actually assisted Spain. The people of the U. S. are the best customers of France.

You can't down men who have the sand of American sailors. A specimen of that sand was given in a cablegram from Capt. Clark of the battleship Oregon, when he was informed by the Navy Department of the probability that the Spanish fleet intended trying to intercept and destroy the Oregon. He said: "I'm not afraid of the whole Spanish fleet."

It is now an open secret that the delay in sending an army to Cuba has been caused more by lack of proper arms, ammunition, and equipment for the men than by any other one thing. We prefer to believe that this lack is due to inability to make the things required fast enough, rather than to any lack of energy on the part of the War Department. Still, it is impossible not to compare the readiness of the Navy Department with the unreadiness of the War Department.

What Shall Be Done

FOR THE DELICATE GIRL

You have tried iron and tonics. But she keeps pale and thin. Her salivary glands worry you. Perhaps a little hacking cough. Her head aches; she cannot study. Give her

Scott's Emulsion

The oil will feed her wasting body; the glycerine will soothe her cough, and the hypophosphites will give her new power and vigor to her nerves and brain. Never say you "cannot take cod-liver oil" until you have tried Scott's Emulsion. You will be obliged to change your opinion at once. Children especially become very fond of it; and infants do not know when it is added to their food.

GILMORE GATHERINGS

(Gazette Correspondence.)

Gilmore Mills, Va., May 30.

Mrs. W. H. Chiles spent Wednesday and Thursday visiting Mrs. Skidmore of Buchanan, last week.

Mr. W. G. Hamilton, of Clifton Forge, is spending a few days with his sister, Mrs. J. W. Gilmore, of our vicinity.

Mrs. Garst, of near Natural Bridge, paid Mrs. Capt. Chiles a visit one day last week.

Mrs. O. H. Tolley is visiting relatives at Staunton River, Va.

Capt. Chiles is improving his property by building another barn. Mr. David May is doing the work.

Mr. H. P. Shafer is building a new house about half a mile from here on the road from Gilmore to the "Bridge." We are glad to have Mr. Shafer near us.

The Union Sunday school at this place has changed the hour of meeting from 3 p. m. to 9 a. m., and Mr. H. A. Ogden elected superintendent if Mr. C. A. Seal could not attend in the morning.

Rev. G. A. Long preached an excellent sermon here Sunday which was enjoyed by all who heard him.

Miss Hope Chiles spent first of the week visiting relatives at Big Island, Va.

Mr. Earle Chiles was in Lynchburg on a business trip Monday.

Mrs. M. W. Barger accompanied by her children, is visiting her mother, Mrs. Jos. Kennedy, of Lexington.

Miss Kate Thompson who has been visiting in Lexington and Buena Vista returned home first of the week.

Mr. A. D. Mitchell was in Lynchburg last week selling his tobacco, which brought him a very good price.

The war has brought out the gold any way. The C. & O. paid off in gold last week.

Mrs. Robert Campbell, we are sorry to state, is still confined to her bed.

Trying to conquer the Spaniards by starvation is slow work. Spain has been trying to do the Cubans that way for two years and has not succeeded yet.

Our friend, Mr. Swartz, is not going to let Capt. Chiles get ahead of him in building; he has erected one of the best hog pens in our vicinity. Gilmore is not dead yet and as long as there is no trust on lumber we are going to build.

When bilious or constive, eat a Cascarat candy cathartic, cure guaranteed, 10c. 25c.

"For five weeks I lived on cold water so to speak," writes a man who suffered terribly from indigestion. He could hardly keep anything on his stomach. What started, wasn't properly digested and gave him terrible pains.

This is not an uncommon case. Dyspeptics don't get enough nourishment. They are generally thin and weak.

They may eat enough, but they don't digest enough. Much of what they eat turns into poison. If this keeps on there's no telling what disease they may get next.

That's why it is best to take Shaker Digestive Cordial, as soon as symptoms of indigestion appear.

It cures all the evils of indigestion, and prevents the evils which indigestion causes.

Sold by druggists, price 10 cents to \$1.00 per bottle.

WHAT A MOTHER SAYS

Of Dr. Hartman's Famous Family Remedy and Spring Tonic.

Mrs. Hannah Lind, 1132 East Long street, Columbus, Ohio, is one of the many enthusiastic advocates of Pe-r-u-na. She says: "For many years I was subject to nervousness, dizziness and neuralgia, for which doctors and remedies seemed of no use. At last I was persuaded to try Pe-r-u-na. I found it to be exactly the remedy I had been so long in search of. It relieved the tired, depressed feeling felt in spring-time at once. It never fails to restore to me natural appetite and the best of sleep. It has cured permanently my old dizziness and neuralgia and I wonder why so many people continue to suffer through spring and summer when Pe-r-u-na is such a prompt and perfect relief. As a family medicine I believe Pe-r-u-na to have no equal." It relieves at once cramps, colic, prostration from heat, the ill-effects of sudden checking of the perspiration, and all other bad effects of hot weather. As a remedy for nervous prostration it has no equal, and the thousands of men and women of this generation who "have nerves" find it a priceless remedy.

Every family should have a copy of "Facts and Faces." Finely illustrated. One of the best books of testimonials ever published. Sent free. Address The Pe-r-u-na Drug Manufacturing Company, Columbus, Ohio.
